# WELCOME TO OUR CACTUS HOTELS

## *Description About our Hotels*

Cactus Hotels began with a clear vision.

The late Mr. Theofilos Chalkiadakis was a smart and forward-thinking businessman who gradually entered the tourism sector. Step by step, he built his experience and confidence in hospitality.

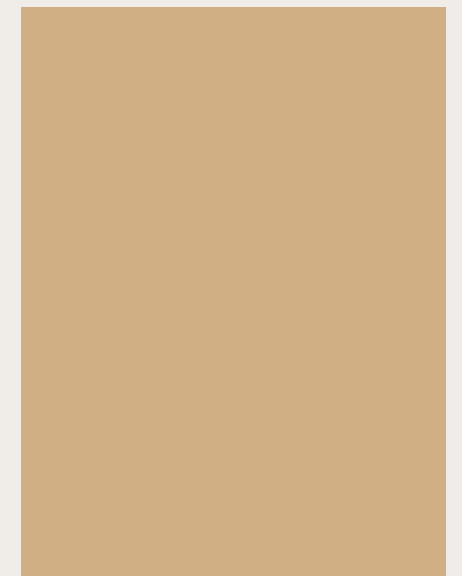

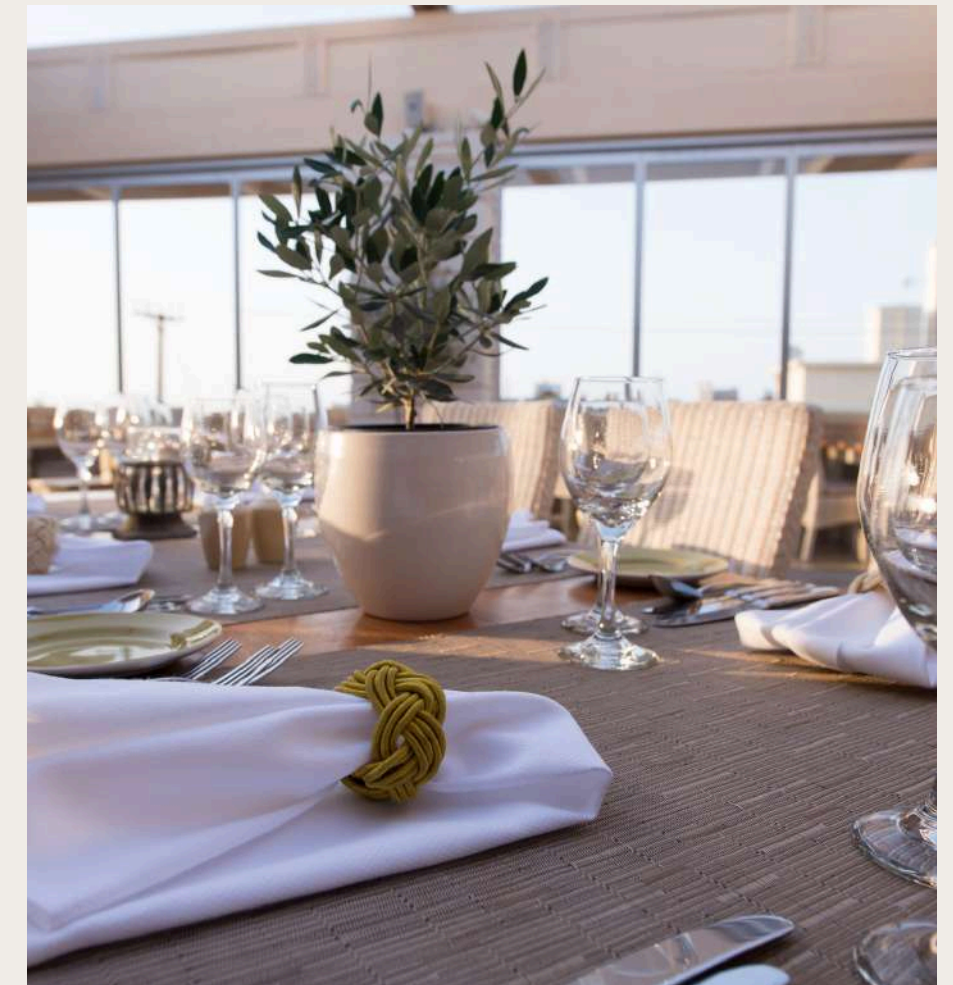

In **1980**, he opened a small hotel in Stalis. Inside the hotel there was a large cactus plant, which inspired the name: Cactus Hotel.

With dedication, hard work, and strong family values, the small hotel grew steadily year after year.

Today, the group includes:

- Cactus Bay
- **Cactus Beach**
- Cactus Mare
- **Cactus Royal**
- **Cactus Village**

From one small hotel, Cactus Hotels has developed into a strong and trusted family hotel group in Crete – and we continue to grow with the same passion and commitment.
